

PRODUCT SHEET · RANGE

STRAWBERRIES

Clean, sweet, picked daily and grown soilless.

Our strawberries grow in suspended gutters: the fruit never touches the soil and stays clean. Picked ripe, hand-sorted and packed straight into punnets, they go directly into cold storage to preserve their flavour and firmness until delivery.

OUR RANGE

- Whole strawberry
- Juicy flesh
- Gutter growing
- 250 g / 500 g punnet
- 2 kg tray
- Premium box
